The responsibility for compliance with this policy lies with each organization. In discharge of its responsibility, each organization shall acknowledge its understanding of this policy. Such acknowledgement shall assure that there exists no restrictions on membership, either local or national, which violate this policy.

The Chancellor or President of each institution under the jurisdiction of the Board shall establish a committee, composed of students, faculty, and administrative personnel, to deal with matters related to this policy and its application. In the event of an alleged violation of this policy, the committee shall investigate the allegation and report its findings and recommendations regarding it to the institution's Chancellor or President.
